

What got you *here*
won't get you there.

The conversation *every overwhelmed leader* needs to have.

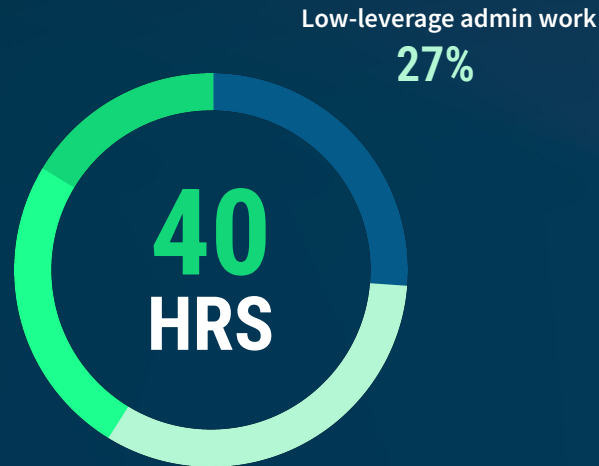

The Reality

The job got bigger.
The hours didn't.

“

When things go wrong, they come straight to me.

”

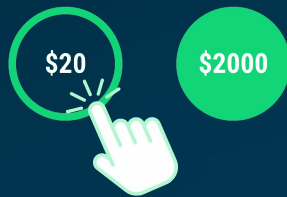

You're the reason things work...
and the reason they stall.

“

My team needs direction every step of the way.

”

You're making **\$20** decisions instead of **\$2K** decisions.

“

*I can't take a day off without 10 things
falling through the cracks.*

”

There's no **system** for repeatable work.
You are the system.

Steve Perkins

CEO of Greenhouse Coaching

Steve stopped being the operator
and **became the growth engine.**

“ We gained **\$100K** a year just by freeing up leadership focus — and another **\$100K** from repeatable systems. ”

“

There's no way to write a 5-year plan *if you're busy putting out every fire.*

”

Mike Mannina

Founder and CEO of ThriveWorx

Mike stopped surviving the day-to-day **and started shaping the future.**

“

I pay for peace. That's the ROI right there.

”

Sheena Parker

Founder and CEO of 4SYT Industries

Sheena let go of busywork **so she could lead without burnout.**
